Make checks payable to Whiteford Township

Number of inspections covered by above fees

VI. General Instructions

Electrical work shall not be started until the permit application has been filed with the Whiteford Township Electrical Inspector. All installations shall be in conformance with the Michigan Electrical Code. No work shall be concealed until it has been inspected. When ready for an inspection, call the inspector providing as much advanced notices as possible. The inspector will need the location and Permit Number

Homeowners Affidavit

I hereby certify the electrical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections
