We can and should do more.

Michigan Secretary of State Jocelyn Benson proposes the following legislative action to ensure the votes of service members and their families are counted and that they have convenient, secure access to voting.

Allow absentee ballots of military members and their families to be counted after Election Day, as long as they are postmarked by Election Day and received in time for canvassing.

Allow military members serving overseas and their spouses to securely return their ballots electronically.

Improve ballot tracking tools for military members.
